WORK EXPERIENCE

User Experience Design Club (UXD) @ Pitt

Oct. 2024 – May 2025

Co-Founder & Design Director

Pittsburgh, PA

- Founded Pitt's first ever UX student organization, growing the community to 145+ members in one year
- Produced Canva infographics, flyers, and social media content, boosting member engagement by 45%
- Organized 12 weekly skills workshops on UX design, research, accessibility, and portfolio development
- Established industry partnerships co-hosting 6 collaborative events with campus tech orgs and local professionals

Carnegie Mellon University Human-Computer Interaction Institute

May 2024 – Aug. 2024

HCI Design Research Intern, REU Program

Pittsburgh, PA

- Collaborated with professors and mentors on an NSF-funded research project at the top-ranked HCI program globally, leveraging algorithmic management data to visualize hotel housekeepers' workloads
- Created health and safety knowledge which led to an 80% increase in paid sick leave days for all Pittsburgh city workers
- Strategized co-design workshops by iterating over interactive card sort activities and design probes in Miro and Figma
- Conducted 10 semi-structured interviews, using thematic coding to uncover pain points and guide system design
- Designed and built a public-facing project website in 1 week to communicate research outcomes and increase visibility

Wabtec Corporation

May 2023 – May 2024

UX Engineering Intern (Summer) / Co-Op (Fall & Spring)

Pittsburgh, PA

- Designed in Figma and developed UX enhancements to B2B enterprise tools at a global rail tech leader (\$10B+ revenue), supporting SaaS platforms for supply chain and operations
- Built an Angular web app allowing company leaders to anticipate future tenders, integrating feedback from 12 stakeholders and scaling concurrent users from 1 to 255 (Winner of Wabtec's Summer 2023 Intern Tech Challenge)
- Created an interactive GIS web application to map adoption and usage data across 140+ internal SaaS deployments
- Synchronized with PMs and engineers in Agile workflows to gather requirements and deliver scalable UI solutions
- Onboarded 1,000+ buyers and suppliers into a purchase order management system, authoring extensive documentation to streamline future onboarding

University of Pittsburgh Student Affairs

Jan. 2023 – Nov. 2023

Panther Leadership Academy Facilitator

Pittsburgh, PA

- Empowered 50+ college students to lead confidently and inclusively throughout a 20-week development program
- Led weekly discussions, team-building, and seminars on leadership and communication styles and civil discourse
